

Kansas County Election Comparison

Public-data organization sample

This preview preserves the supplied workbook's figures and labels. Percentages use its stored values; the Excel download retains formulas. Election dates, voter-total definitions, and source figures have not been independently revalidated for this preview.

County	Total voters	Democratic voters	Republican voters	Unaffiliated voters	KS Supreme Court referendum Yes / No	U.S. Senate nominee (D) Vote %	Senate county win?	KS Governor nominee (D) Vote %	Governor county win?
